GEZE UK Appoints Mark Maslanka as Northern Specification Manager

[GEZE UK](#), a leading manufacturer and provider of door, window and access control systems, is delighted to have welcomed Mark Maslanka, who has joined as Northern Specification Manager.

Having worked within specification for over 25 years, Mark will be GEZE UK's key support contact for architects and end users in delivering innovative technical solutions across the entire GEZE product range. With extensive knowledge and experience, Mark will also ensure alignment with the latest legislation and regulatory standards.

"I'm thrilled to be joining GEZE UK as Northern Specification Manager. It's an exciting opportunity to work with a respected team and contribute to delivering innovative, compliant solutions that truly support our clients' needs. I look forward to building strong relationships across the region and helping drive excellence in every project." - *Mark Maslanka, Northern Specification Manager, GEZE UK*

Driving Innovation and Compliance

Mark steps into his new role with a rich background in managing specifications, streamlining project delivery, and building lasting client connections. His deep understanding of the construction landscape allows him to offer tailored solutions that meet both creative and compliance-driven demands.

With a results-oriented approach, Mark thrives in dynamic environments, guiding projects through complex technical and regulatory frameworks. He's known for his strategic thinking,

30.06.2025

collaborative style, and ability to turn challenges into opportunities — making him ideally placed to support our clients and partners across the northern region.

Andy Howland, Sales and Marketing Director of GEZE UK, added:

"We're delighted to welcome Mark to the team as our new Northern Specification Manager. His extensive industry experience and deep understanding of the specification process make him a fantastic addition to GEZE UK. Mark's role will be key in supporting our clients across the North, ensuring they receive expert guidance and innovative solutions tailored to each project. We're confident he'll make a strong impact from day one."

Note to editors:

Founded in Germany in 1863, GEZE is one of the world's leading manufacturers of door and window control systems. Investing millions in research, development and manufacture of innovative solutions, GEZE sets the global standard for advanced door and window technology.

GEZE UK is the official company name and it originates from a German abbreviation, so should always be spelt in capital letters. The background: In 1901 Master locksmith Victor Gretsches joined the company and the business was renamed Gretsches & Co. GmbH. GRETSCHCO was abbreviated to **GE** for the German pronunciation of the letter G and **ZE** for the letter C.
