GEZE UK Returns to AJ Retrofit Live 2025

1 | 2

GEZE UK is pleased to announce that we will be attending [AJ Retrofit Live 2025](#), once again joining the industry's leading conference on retrofit and the circular economy. This year's event takes place at **The Brewery in London on Wednesday, 10 September 2025**

Why this matters:

AJ Retrofit Live is a one-day intensive gathering of retrofit and reuse experts, practitioners, and advisers. With a focus on whole-life carbon principles, Circular Build collaborations, case-study presentations, and best-practice sharing, this event is a cornerstone for driving sustainability in retrofit design and execution

Look for us at stand: TBC – come and chat to us about your retrofit projects. Whatever your needs, GEZE UK offers comprehensive support to meet the demands of your construction projects, delivering solutions that seamlessly combine functionality, safety, comfort, and design

We look forward to seeing old friends and new faces at the event. Let's drive positive change together!

Note to editors: Founded in Germany in 1863, GEZE is one of the world's leading manufacturers of

door and window control systems. Investing millions in research, development and manufacture of innovative solutions, GEZE sets the global standard for advanced door and window technology. GEZE UK is the official company name and it originates from a German abbreviation, so should always be spelt in capital letters. The background: In 1901 Master locksmith Victor Gretsche joined the company and the business was renamed Gretsche & Co. GmbH. GRETSCHCO was abbreviated to **GE** for the German pronunciation of the letter G and **ZE** for the letter C.
